

ACPE Northeast Region Executive Committee Minutes
16 March 2000, Havenwood/Heritage Heights, Concord, NH.

Present: Don Blume, Mary Coffey, Claudia Blanchette, Sharon Frank, Carl Towley.

Agenda: we accepted the minutes of the 28 January meeting. The Executive Committee decided to take a sabbatical from the annual summer CPE Day. We are aware that centers will naturally gather together for shared educational opportunities. We discussed the pro-postal to support the Clinical Pastoral Education program in Malawi, and authorized two thousands dollars for this program. Carl will contact Duane Parker. This information will also be shared via the East by Northeast joint newsletter.

We approved a motion to fund the Conference Telephone Calls to reimburse Claudia who is a member of the Fall Bi-regional planning conference committee. The Committee also requested Carl to secure copies of the regional by-laws.

We agreed that retired supervisors would receive a 25% registration discount for regional meetings. We further recommended that information about regional meetings be clearly communicated in one flier.

Carl reported that he is the website gatekeeper for the region.

The Bi-Regional Conference in Pawling, NY, will be held 25-27 October.

Meeting adjourned at 2:00 p.m. Minutes recorded by Mary Coffey.
