6. COUNCIL ON COLLABORATION GETS EASTERN REGION HELP

The Eastern ACPE Region continues to provide national leadership, this time in the important work of the cognate groups' Council on Collaboration. Thanks to Bonita Taylor, representing the NAJC in planning the 2003 Toronto joint conference; to Kitty Garlid, who served on the Council's chaplaincy task force; and to Joan Murray, a member of the Council's pastoral educators task force. Drafts of a common code of ethics and standards are now being reviewed by the pastoral care and education organizations. Check them out at www.professionalchaplains.org and offer your feedback (very soon) to George Handzo at gandzo@healthcarechaplaincy.org.
